The Push-Pad Dispensing System

Features a large, easy-to-read push pad located at the top rather than the bottom of the dispenser. The push pad placement lets users see the amount of product being dispensed into their hand, thus reducing waste caused by over-dispensing.

Dispenser: 7058 Black, each; 7059 Black 6/case.

The Touch-Free Dispensing System

Luxurious foam is dispensed automatically for a touch-free hygienic environment! Easy-to-see Indicator lights up blue when soap is released, lights up red when battery is low. 6AA Batteries Included.

Dispenser: 7060 Gray, each.
